Email: Parking Issues in Chapel Road

Email: Bus Timetables

### **Other**

**Citizens Advice** – Funding request

**BT-** Box Adoption Completion notice

Dear All,

As you know following the planning meeting on December 17th despite our considerable efforts to oppose the size and scale of both the Larkfleet and Bowbridge applications permission was granted for a total of 575 homes. As pointed out by all our representatives this will create havoc on our road network with traffic backing up along Edward Benefer Way, Grimston Road and the various junctions along the route.

In the light of these 2 decisions we need to double our efforts to oppose the further threat of 600 homes Camland are planning at the top of Knights Hill. It has been suggested and I agree that we should approach surrounding Parish Councils as their residents commuting to King's Lynn will be adversely affected by the increased traffic generated from these developments. I believe with the grant of permission for 575 homes behind the village school and a further 55 on Knights Hill we will struggle to access and enter King's Lynn. We must therefore endeavour to achieve a complete refusal for the 600 homes proposed by Camland on Knights Hill.

**A meeting has been called at 6pm on Friday 25th January at South Wootton Parish Council offices. Please would you be kind enough to confirm your attendance.**

You will note from the recipients in addition to South Wootton, North Wootton and Castle Rising Parish Councils I have through the various Parish Clerks invited the Chairmen of the following PC's: Congham, Dersingham, Gt Massingham, Grimston, Harpley, Heacham, Hillington, Ingoldisthorpe, Roydon, Sandringham and Snettisham as this application will have an adverse impact on the residents from these villages when travelling to King's Lynn.

David Goddard

Parish Councillor for Castle Rising, Resident and Landowner in South Wootton

Gap Farm

Philippa Sewell  
Clerk to Grimston Parish Council  
5 December 2018

Dear Ms Sewell

I am writing to ask if you would consider supporting Norfolk Citizens Advice with a financial contribution. In the last 12 months we have provided free and expert advice to over 20,000 Norfolk residents from all across our county and need to ensure that we can continue to be a source of support within our local community. As I am sure you are aware, we help with any issue. The most common problems we are asked to assist with concern debt. However, we also support people with welfare benefits (especially with the pending roll out of Universal Credit), employment, relationships, housing, legal advice, consumer rights, immigration, health, discrimination and education. Our volunteer team continues to go from strength to strength, with 174 local people now supporting others within our community. "The advice given has taken a huge weight off my shoulders. I was feeling very frightened and wasn't sleeping. Now I feel I have a clear direction and know how to deal with my problems." The reason for my letter today is that the number of people contacting us by phone and email is increasing. Some people also require a follow up face-to-face interview. Those coming to see us have increasingly complex issues and a growing number are disabled. We need to be open more days each week in multiple locations to handle this increasing need. Compounding this issue, other local organisations that were providing excellent services to Norfolk citizens have had their funding cut and are curtailing or closing down services. We have plans to extend both our face to face, online and telephone services over the next three years, by expanding our opening hours, setting up new digital services and recruiting at least 60 new volunteers, but to do this we must raise more funds. It costs just £41 each time we provide support but we know there are more people needing our help and would like to ask you to support us so that we can meet this growing local need.

With many thanks for your time and consideration.  
Yours sincerely

Jon Cheyette  
Chief Executive  
Norfolk Citizens Advice
